

ARTEFACT 4

Executive Decision Log

Key Decisions & Rationale

Decision Area	Options Considered	Approach	Rationale
Architecture	Monolithic vs Modular	Modular	Improved Resilience & Scalability
Delivery	Waterfall vs Phased	Phased	Risk reduction & Stakeholders ease-in
Access Model	Open vs Controlled	Controlled	Security & Compliance Requirements
Governance	Central vs Distributed	Hybrid	Balance oversight with agility

Leadership Insight

Each decision balanced technical feasibility, institutional readiness, and long-term sustainability rather than short-term delivery speed. This ensured the system could evolve with missions and policy changes.
